

VieVS Exercise: Clock break

The following sessions contain clock breaks.

10FEB10XA_N006 (OHIG69)

10MAR11XE_N004 (R4421)

10MAR25XE_N004 (R4423)

11JAN03XA_N004 (R1464)

For one (or more) of these sessions, find out at which station and at which time the clock break occurs. Enter the clock break into an OPT-file. Re-run the session to check that the session is now working properly.
